FROM BEHIND THE WHEEL **October | November | December**

Christmas is here – it's my favorite holiday. I think GMC stands for – Give Me more Christmases, more fa la la, more Christmas cookies, it's a magical time of the year!

As a club, we have had a couple of great rallies – Santee Lakes with hosts, Fran & Mike Fimbres and co-hosts Bobbie & Gene Schultz, who did a great job –we all remember churning ice cream topped with Barbara McCurter's chocolate sauce, and her husband, Danny McCurter, won the fishing derby. We also had 2 new members, Gregg & Aussie Hose, and also first time attendees, George & Susan Corrigan.

Then we got our German on, in Anaheim, at the Phoenix German Club. We made our own pretzels and Mardi Gras hats, ate German food and drank German beer. We also had a great Tri Tip dinner at Ralph & Annie Mundia's beautiful home. A great big thank you for the hospitality and sharing your home with us. Again we signed up 2 new members, Richard & Carmela Elsley, and had first time attendees too, Art and Jackie Johnson.

All recipes are in this edition of our newsletter and can be downloaded to your GMCPD Recipes and Rallies thumb drive. Get them updated at the Valentine's Day rally on your thumb drive, or buy them from Gene Schultz, a \$10.00 donation.

Thank you to Ken & Judy Booth as co-hosts and to Hoss Hauge for driving our rental van.

In the New Year, 2015, we are looking forward to three rallies. January has the Quartzite Rally with hosts Chuck & Dorris Garton and co-hosts Bob & Karen Lamey. So come out and ring in the New Year, Jan 21-28, and "shop till you drop!"

Also there is a Valentine's Rally, Feb 13-15 at Newport Beach Back Bay RV Resort with first time hosts Steve & Marie Weinstock and co-hosts Dave & Donna de Graffenreid - bring your valentine.

March finds us back in Temecula for the popular Blue Grass Festival, March 20-22, return hosts Len & Pat Novak.

Registration forms for all thee rallies are in this newsletter. Let's get them filled out and sent in!

FROM BEHIND THE WHEEL continued

A big thank you goes out to all members who renewed their memberships, let's keep on promoting our classic GMC's. And to Jim Peugh, our web site administrator. He has done an outstanding job over the years, publishing our newsletter, our schedules and those eye-catching banners, he is truly appreciated. Another special thank you to my husband, Gene Schultz, for taking over the newsletter and bringing in a new look & introducing some new features.

At our last rally, Lillian Trubert volunteered to research the production of new GMC Pacific Cruiser jackets, and will inform us on how we can purchase one. Our chilly members appreciate this.

We'll see you all in 2015 – best of the holiday season to you and you know the drill, when out on the lawn there arose such a clatter, I sprang from my bed to see what was the matter. Away to the window I flew like a flash and there on the driveway was a GMC, with a little old driver, so lively and quick, I knew in a moment it must be Saint Nick, and I heard him exclaim, Happy Christmas to all and to all a good night

Your President, Bobbie Schultz

I was born in France. My father Léon Trubert was the son of French pioneer families that had migrated from France to New Caledonia circa 1880 after France lost the Franco-Prussian war of 1870 in Western Europe. New Caledonia is a small tropical island in South Pacific 1000 miles east of Australia and 1000 miles

north of New Zealand. The island was discovered by the world explorer Captain Cook in the 1700. New Caledonia was originally part of the French colonial empire in late 1800 early 1900. My grandfather on my father side was from Normandy and my grandmother on my father side was from Alsace. The Alsace province is the part of France that changed hand between France and Germany several times over the centuries. That makes you think that the people living in Alsace at that time did not really know if they were French or German. In 1870 Alsace was given back to Germany as part of the settlement of the Franco-Prussian war. My father was a WWI (World War One) veteran who had been drafted in 1914 in New Caledonia to fight the war in France. After the war, my father remained in France for a few years as a surveyor and married my mother Paulette Montes from Paris. Soon after I was born my parents chose to go to New Caledonia where my father's original family still was, therefore New Caledonia is where I was raised.

It is a long time ago but I sort of remember Christmas time in the island. Since the island is in the south hemisphere, Christmas is in the summer, so it is hot at that time with no snow. Anyway the island is under the Tropic of Capricorn so it never snows there. Santa Claus was called the "Père Noël" for us. The story in these days was that he was coming by air on Christmas Eve from the north pole being parachuted to the ground from an invisible airplane. He was bringing all the toys to be distributed to the young kids (only to the ones that had been good, so we were told). He showed up dressed up like Santa Claus at the balcony of the major department store "Maison Barault" of Noumea, the capital of the island, addressing the crowd assembled for the event, including me. The following morning on Christmas Day the kids would wake up at their home with the gifts in front of the Christmas tree which typically was a Norfolk pine. One time I got a little mechanical train running on tracks that I had to assemble. Another time when I was older I got a fully tooled and functional wood working bench toy which I treasured tremendously. I kept this bench for many years building a variety of wood projects. Later when I had acquired more sophisticated tools I even built a little night table for my mother that she kept all her life. I guess this was the Christmas toy that gave me the idea of becoming an engineer.

RECIPE ROUNDUP

We have some talented cooks in our club and from time to time they produce and share something interesting and special. These delicious items were shared at recent rallies.

BARBARA McCURTER'S CHOCOLATE SAUCE

Barbara says this recipe was originally found on the box of Hershey's Cocoa but is not shown there now. Like all good cooks, Barbara has made this recipe her own and tastes and adds so amounts given are approximate.

- 3 tablespoons unsweetened cocoa powder
- 1 cup sugar
- ½ cup evaporated milk (like Pet or Carnation in a can)
- ¼ cup light Karo corn syrup
- ½ cup butter
- 1 teaspoon vanilla
- Pinch of salt.

Combine sugar, cocoa evaporated milk and corn syrup together in saucepan and cook over medium heat, stirring constantly until the mixture begins to boil. Boil for about 5 minutes to thicken. Make sure you time it from a good rolling boil and not the first few bubbles that will persist for several minutes beforehand. If you want really thick hot fudge sauce, you can boil for a few more minutes. Remove from heat and stir in the salt, butter and vanilla. If made ahead reheat in microwave and then pour over ice cream.

FRAN FIMBRES' ROOT BEER SCHNAPPS

Enjoy the taste of root beer fizz with a kick to it. Delicious and different as is, or will make a great adult root beer float dessert for your next party.

1 large 750 bottle of Vodka, any kind, and approx. 10 root beer barrel candies. Put the candies into the vodka and put top back on vodka. Set in a dark area for approx. 30 days. It's ready to be served by mixing w/equal parts of cold root beer soda over lots of ice, as it is best served very cold...don't add the root beer soda until you are ready to serve it.

SEMI-HOMEMADE GERMAN SOFT PRETZELS

As part of getting in the groove to enjoy the Karneval celebration, Bobbie had us make and enjoy some of the big, chewy, salted pretzels that we buy at places like ball games and carnivals. A recipe and instruction sheet was in our packet. It looked complicated. To make things easier for us, Bobbie had prepared the dough from scratch ahead of time so the bakers only had to roll it out and twist it into pretzel shape. Then the pretzels were dropped into a pot of boiling water and boiled until they floated to the top. The boiling step is what gives the dough the signature chewy texture we love. Then they were drained, sprinkled with salt, and baked. Later we ate them dipped in the spicy and delicious German mustard Bobbie provided. Fun and delicious but a lot of effort so here is an easier

"semi-homemade" version that got great reviews on the internet:

Buy some good quality frozen bread dough and thaw according to directions. Pinch off pieces and roll dough out into ropes then bend into pretzel shape. Place on oiled baking sheet. Cover lightly with plastic wrap and let rise 30-45 minutes. Meanwhile bring a pot of water to a boil and add about ¼ cup of baking soda. When dough pretzels have risen, slip a few at a time into gently boiling water and boil for about 30 seconds on each side. Remove with a slotted spoon and drain on a cooling rack. Sprinkle with coarse salt. Return to oiled baking sheet and bake for 15-20 minutes at 375 degrees until golden brown. Have the mustard ready for that first delicious bite.

KARNEVAL MIT HERZ RALLY

By Fran Fimbres

November 13-16, 2014

Thanks to Bobbie & Gene Schultz and Judy & Ken Booth we had a fun-filled four days at the Canyon RV Wilderness Park in beautiful Anaheim alongside the historic Santa Ana River. What an amazingly beautiful ambience showcasing our 13 GMC coaches through the canyon of luscious old oaks, pepper, and sycamore trees that only time can create for us to enjoy.and enjoy we did! Lillian & Marc Trubert stayed in a rustic cabin on site while their GMC was in for repairs. One of our newer members, Jackie & Art Johnson, camped for the very 1st time in their GMC! Carmella & Dick Ellsley stopped by to rejoin the Pacific Cruisers. Thursday evening GMCers brought their usual best for a hors d'oeuvres evening at the clubhouse, beer & schnapps tasting, and German music to set the mood for what was to come. Hoss was our gracious 3 day rally driver and off we went to the Phoenix Club for Big Band dancing. It was so much fun watching their dance lessons and then joining in for a rockin' time dancing to the timeless tunes of Big Band.

Mornings we woke up to a yummy continental breakfast & listened to German music throughout each day. Following breakfast on Friday we made pretzels, which proved to be more challenging than expected, but sure was fun. Pretzels were baked in our GMCs – we are a self-sufficient group. GMCers had the pleasure of being invited to Ralph & Annie's home overlooking our campsites for a delightful evening of enjoying each other's company and a home-made dinner of Ralph's famous tri tip roast and Annie's wonderful sausage lasagna & salad. A big thank you to them for welcoming us into your lovely home as we enjoyed good friends, good food. It was a magical evening and none of us wanted to leave. Thank goodness for Ralph & Annie – Hoss made us get in the van to go back "home" to our GMCs.

Gene, fluent in German, gave us some lessons in speaking German and some most interesting history as well. Basically he taught us how to party & celebrate the German traditions. We made hats

for our evening at the Karneval mit Herz. Beautiful were the hats!some had beads, feathers, jewels, ribbons, fabrics, & all that glittered. Congrats to hat making winners: 1st place Annie Mundia, 2nd place Charlotte Hauge, and 3rd place Lillian Trubert.

If you have never been to the German Phoenix Club in Anaheim, everyone should go at least once. The place is truly spectacular with its ornate architecture throughout the ballroom, bar, and restaurant with German and European ambience and traditions that welcome you to be a part. This place is in a class of its own. Our dinner here on Sat. in the beautiful fireside Garden Room was an amazing German feast buffet. And then off we went to the Karneval mit Herz for a show & celebration to remember....comedy acts, elaborate costumes, marching band, dancers, skits, and dancing, dancing, dancing.

The 4 days flew by. We ended our rally with Bobbi's quiz and a big congrats goes to Joe Weaver in answering all the questions. It was fun getting to know and welcoming Jackie & Art Johnson and Carmella & David Ellsley. Dave Cantrell and Danny McGruder were under the weather. We missed them both & wish them a speedy recovery and look forward to seeing them soon.

A big thank you to Bobbi & Gene, and Judy & Ken for a fun-filled and memorable rally.

Great Job!

SANTEE LAKES RALLY REPORT 9/2014

By Randy Bills

After the hectic pace of the recent Barn Rally, we were really looking forward to a quiet, relaxing weekend with old friends, good food, and fun events. And that's exactly what our great rally Hosts, Fran and Mike Fimbres, and co-hosts, Bobbie and Gene Schultz, provided at the Santee Lakes Recreational Preserve in San Diego County! What a beautiful park with 7 surrounding lakes! Perfect venue for biking, kayaking, hiking, fishing and relaxing!

The fun began at Happy Hour, naturally! With the Labor Day holiday theme, the festivities included patriotic decorations and good old picnic fun including local Craft Beer tastings, with samples being generously poured by Mike Fimbres and our illustrious President, Ralph Mundia. We loved the printed descriptions of the various beers....interesting and informative! Thanks, too, to Brian Tripp for contributing some of his favorite beers for sampling, and for sharing his vast knowledge of the Brews. The pretzel necklaces to nibble on while sipping were deftly created by Annie Mundia and Suzie Quiring, Fran's helpful sister! What an ingenious idea!! Tons of appetizers were contributed by all....creative dips, brie with grapes, popcorn and the very popular meatballs from Pat and Len Novak. And YES!!! We tried our best to get them to share their recipe for the Atomic meatballs, but we've since learned it's a carefully guarded secret, so you'll just have to hope to enjoy them at another rally.

The biggest surprise of the evening came from Joe and Barbara Weaver and their amazing Sno-cone machine. Such FUN to watch the block of ice become delicate shavings waiting for your favorite fruity flavor to be poured atop! So refreshing on such a warm evening...thank you so much!! Great fun! Can't forget the squirt guns waiting for us in our welcome packs.....who knew Arlene Cantrell was such a great shot?? Suzanne Covington, she definitely got the best of you!

As if all the delectable nibbles weren't enough, dinner awaited! Huge submarine sandwiches, pasta and bean salads, amazing desserts.....perfect for a traditional holiday picnic! Plus, we enjoyed sharing the evening and meeting newcomers Jerry Shelton and his very enthusiastic wife, Fena. Welcome!

Saturday began at the new favorite time of 9 AM....much more civilized than 8! Another great meal of blueberry pancakes, hardboiled eggs, muffins, juices...everything needed to rev you up for a fun day at the lakes.

The day's scheduled events included the Horseshoe competition, Fishing Derby and ice cream making. Mike Fimbres officiated the Horseshoe games with teams of Pat Novak and Suzanne Covington paired against Ed Staal and Randy Bills, who enjoyed a healthy lead until the very end when Suzanne had two great tosses and Pat threw the winning 'ringer'....actually slinging her horseshoe around the post for the winning point!! Well done!!

SANTEE LAKES RALLY REPORT 9/2014

Throughout the horseshoe fun in the sun, we were so envious of Bob Hooten, who definitely had the right idea and was enjoying the sparkling pool while we melted alongside in the sandpit...whew!

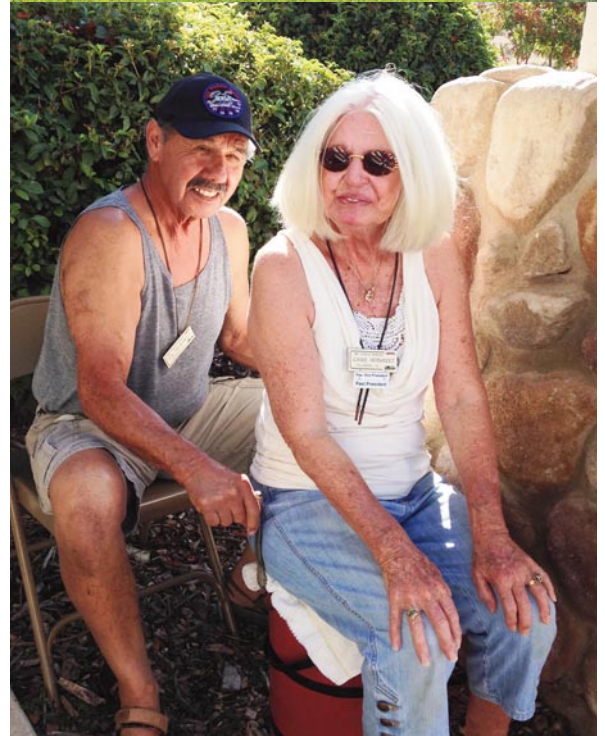

The Fishing Derby took place at the lake from 10 AM to 4 PM. Fishing is definitely a popular activity at Santee Lakes.....young and old alike had their favorite poles and bait, while patiently waiting for a nibble or a chomp! Our contenders included Phil and Joanne Hernandez, Ralph and Annie Mundia, and Danny and Barbara McCurter. Danny managed to snag a perfect specimen of a catfish, which Hoss Hauge kindly agreed to help skin. What a catch, Danny! Congratulations!

The afternoon continued at the Clubhouse with patriotic banners and Fran's creative table decorations being set for the evening festivities. The fun was in full swing as Gene Schultz and Danny McCurter worked on churning homemade ice cream for the root beer floats. Lots of laughs ensued.....churning ice cream is not easy, but with the help of so many....Joanne Hernandez, Charlotte Hauge, Dorthy Hooten, Barbara McCurter, Bobbie Schultz, and so many others, they got the job done with amazing vanilla ice cream as the end result! Perfect for the root beer floats planned for dessert!

Another Happy Hour began with Bobbie serving her homemade root beer schnaaps. Wow!! After aging the concoction for 3 months, it packed quite a punch! Delicious! Such a tempting array of hors d'oeuvres were contributed, that we wondered how we'd have room for the fried chicken dinner feast planned. Not a problem as everyone thoroughly enjoyed the chicken with all the fixin's...corn, potato salad, rolls, followed by root beer floats, and ice cream with Barbara McCurter's fabulous homemade chocolate sauce! Perfect menu for a Labor Day themed event!

Such a great year has passed under the leadership of Ralph Mundia and his terrific board. Ralph has been so generous and, as always, had gifts galore to share. Suzanne Covington was the lucky winner of his President's gift drawing and his team also received gifts of appreciation. A huge thanks to Ralph (and Annie) for your hard work and leadership!

The new Board was introduced and enthusiastically welcomed.

SANTEE LAKES RALLY REPORT 9/2014

During the meeting, we were also introduced to First Timers George and Susan Corrigan, and new members, Greg and Lisa Hose. Welcome to a fun club with super nice people!

A very special moment was shared when Phil and Joanne Hernandez presented outgoing President Ralph Mundia with the beautiful Tricolor state flag of the Kingdom of Italy, which was used from 1861 thru 1946, and also as the Naval Ensign Flag of the Regina Marina (the Royal Navy). It was gloriously adorned with the Shield of Savoy and the Royal Crown. What a lovely way to honor Ralph's proud Italian heritage, his honorable service to our country, and his wonderful year at the helm of The Pacific Cruisers.

After a hectic and fun clean up job in the kitchen, several of us gathered around to enjoy Joe Weaver's EXCELLENT video of the recent Barn Bash rally. So fun to watch and re-live that weekend adventure! Great job, Joe!! Thanks so much for your expert skills and hard work putting that together!

Sunday morning dawned bright and clear, tho many of us were fuzzy headed due to the root beer schnaaps from the evening before and.....ANTS! ANTS! ANTS! We had been forwarned of the possibility of an invasion, but at least they had the courtesy to wait until during the night to take up residence in our coaches and make themselves at home!

Following another great breakfast of muffins, fruit, eggs, and left over fried chicken, it was time to wish each other a safe trip home. Kudos to our rally hosts, Mike and Fran, Bobbie and Gene, for a fantastic job! We all know how much planning and work you put into this rally and we're so appreciative! And a huge thank you to Fran's sister Suzie, who was working right alongside, ensuring that we were all well taken care of.

On a side note, so happy that, after some health issues, Ellen and Ray Gandola were well enough to participate! and we hope your daughter continues to regain her health, as well. Welcome back to Brian and Joy Tripp; glad your GMC brakes failed in your driveway and not on the road! Happy you still made the effort to join us! So glad Joanne and Phil Hernandez were able to attend after all and we hope Joanne and Eileens's nephew continues to improve after his car accident. Positive thoughts and prayers for Danny McCurter, Dave Cantrell, and Suzanne Covington in your quests for better health. We expect to hear great news and see you all thriving in the year to come!

Until the next rally....Happy travelling!

FMCA NEWS! What's old is new again — only BETTER!

You might wonder why we have to all be members of Family Motor Coach Association to join Pacific Cruisers. The answer is that Pacific Cruisers is chartered and covered for liability under our parent organization FMCA. Now they have announced that an important FMCA benefit is back! FMCA is announcing that FMCAssist, the association's valuable medical evacuation and travel assistance program, is back as an association-paid benefit, and once again **automatically part of your regular paid FMCA membership dues**. FMCA is providing this valuable protection at NO ADDITIONAL COST to you. And you don't need to do anything other than **print your new benefit I.D. card** to use it. The really *great* news is that it is better than ever. For example:

- **Covers you in any vehicle** — not just your motorhome — when you are 100 miles or more from home. (Full-timers are considered always 100 miles from home.)
- **In a medical emergency, it gets you to proper care.** Many of us like to travel off the beaten path. These areas don't always have hospitals equipped to treat heart attacks, strokes, or badly broken bones. Once you're at the hospital, FMCAssist can jump in and get you to the care you need.
- **Brings a family member to your bedside.** If the doctor says you shouldn't travel alone, FMCAssist pays for a family member to reunite with you and come to your side.
- **Gets your kids or grandkids home** — or your furry kids (pets). If you're hospitalized, FMCAssist will get any dependents under age 19 traveling with you home again. Same applies to pets (our "other" children!).
- **Get your motorhome home.** If you or any traveling companions can't drive your RV, FMCAssist will get your motorhome home. This includes any towed vehicle as well.

There's more, of course, so go to <http://www.fmca.com/benefits/fmcassist.html> and read all about it. Then, take a moment to print your FMCAssist I.D. card and put it in your wallet.

There is no clubhouse available but we will again have the "Crepe Guy" for breakfast Saturday and a continental breakfast Sunday similar last year's menu. Pizza and salad on Friday (**maybe**) and great Mexican

food (**maybe**) on Saturday night. You can treat yourselves to one of the great local restaurants in Old Town or fend for yourselves in your coach for lunches. Check out the website at Old Town Temecula Bluegrass Festival for local restaurants and more information on the festival.
